

Immersion in English

In the period from June 24 to June 26, 2010, a number of our 8th grade-students spent a great weekend in Sapucaí Mirim, where they really enjoyed themselves.

Among other things they were given the opportunity of getting in touch with English-speaking people and thus improving their fluency in the language.

We would like to congratulate all of our students for their wonderful behavior and efforts to speak English. It was great to be with you!
